S. H. H. Chapman
Phila —

Dear Sir:—

Your letter to hand and we must ask your indulgence until May 25th when we will remit you in full. The long spell of wet weather and new business in new location has been very trying and we have had hard luck as well. Flooded twice in 30 days — once from roof & also in basement.

We are well located and will have a good trade in time, as it is always good in good weather.

You will have no reason to regret your indulgence.

Yours truly

Wm. A. Fletcher Co

P. S. "Romo" is getting along well. His coat is quite thick now. Would not part with him for anything. May want another later on. Can I get one?
